

**VILLAGE OF PEMBERVILLE    SPECIAL COUNCIL MEETING  
SEPTEMBER 8, 2008**

Mayor Opelt opened the special council meeting at 7 pm on September 8, 2008.

Roll Call: Miesmer, Bowman, Campbell, Cox, King and Madaras.

Guest: Gene Steele

Council reviewed the quotes for the paving job on Elmore Road that will be done soon. Gerken Paving's quote was \$9,546 and Morlock Asphalt's was \$9,300. The Township is using Gerken to pave Elmore Road up to the Village property line. It was brought out that Morlock did not include stoning the berm which is probably the difference in the quotes. Cox thought it would be best to continue with Gerken Paving so there would not be a break in the asphalt.

Cox made a motion to hire Gerken Paving and King seconded. The motion passed unanimously.

Campbell moved to hire Morlock to do three down town patches plus two small ramps on Memorial Drive at the quoted price of \$450.00

Cox made a motion to hire Morlock for this work and King seconded. The motion passed unanimously.

The meeting was adjourned at 7:12 pm.
