There is a Car Show on Thursday, July 8.

Chief Darling distributed the police department activity report.

Fuerst question if the Police Bicycle has been repaired. It has not been addressed yet. Chief Darling explained a Police Officer is required to obtain special certification to ride the bike. The cost to do this is very high. Fuerst asked how many Police Officers the Village employs. The Mayor explained it does not matter the number of part time employees because the Village is only covering a set number of hours each day. The Mayor prefers to have additional part time employees because this allows for coverage if a part time employee would obtain a full time position elsewhere.

Mayor Opelt adjourned the meeting at 7:21pm.
