Christmas in the Village – November 30 and December 1

1st Annual Lighted Christmas Parade – December 1

Tree Lighting Ceremony – December 1

Preliminary figures for the pool look better than we expected.

Campbell:

Campbell explained he had asked Morton Salt to re-quote the price for salt given the prices given to area communities. They agreed to reduce the Village price to \$38.01 per ton from the initial price of \$48.08. Stephanie has already signed the agreement and emailed the acceptance of the contract back to Morton Salt with the new rate of \$38.01 per delivered ton.

Campbell and Long have been working with Wood Lane Services to determine the best fit to complete the Village's cleaning needs. It was the consensus of Council to ask Wood Lane Services to draw up a contract/quote for them to provide supplemental cleaning services using Village equipment and supplies. The Village Employees would provide for the daily needs.

Cox:

Finance meeting will be next Tuesday evening.

Long:

Well work is complete and testing is being done. They are getting about 180 gallons/minute from the well.

The BPA is discussing new sewer taps.

Efficiency Smart was at the BPA meeting. They in conjunction with AMP, Inc., offer a program for some energy saving options for the Village for a fairly significant fee. While

Efficiency Smart is a sound program, the BPA considered the benefits of the plan and decided it was not a wise spend given our current situation. The BPA decided to opt out of the program this year.

Other:

Mary Cowell asked Council action on the nuisance property at 810 West Front Street. She gave a history of what she has done to try to get action taken at the property. Solicitor Marsh suggested ways to proceed. Mayor Bowman will move forward to determine if the Village can get the owners to consent to the property to be condemned.

Joanne Busdeker stated she was in favor of holding Trick or Treat during day light hours. She also liked that it was on a Saturday. She would like Council to consider it for next year.

Mayor Bowman adjourned the meeting at 7:37pm.
